Workplaces for Growth and Collaboration

The aesthetics of modern workspace are shaped by creating an environment that boosts productivity while upholding collaboration and rejuvenation. We focus on enhancing the occupant experience through immersive designs, vibrant outdoor spaces, and a range of integrated amenities. Additionally, the events and initiatives we organize are aimed at enriching the overall experience, making their time at the workspace more engaging and fulfilling.

TENANT WELCOME

We successfully hosted tenant welcoming events, fostering a collaborative environment for our valued tenants. The initiative enriches our community as we look forward to a shared journey of growth, success, and exceptional experiences together.

PROMOTING LEADERSHIP THROUGH CULTURAL EXCHANGE

We proudly hosted the Global Village at Worldmark Aerocity, themed "Connecting Cultures, Creating Futures." The event celebrated global diversity with traditional performances, culinary experiences, and art from seven countries. A key highlight was the inclusion of ESG-focused street plays, cultural dances, storytelling, and a summit featuring influencers discussing sustainability and travel trends.

Organized in partnership with AIESEC Delhi IIT, Global Village not only celebrated cultural diversity but also reinforced Worldmark Aerocity's standing as a hub for global community engagement. By offering unique exposure to vendors and performers, the event created a platform for cultural exchange that aligns with our commitment to fostering inclusive communities and global collaboration.

CELEBRATING THE "KING OF FRUITS"

At Worldmark Gurugram, we hosted a two-day Mango Festival, showcasing over 95 mango varieties globally. The event featured interactive exhibitions, quizzes, DIY ice cream sessions, and live music, creating an immersive experience. It also provided a platform for local farmers, businesses, and our in-house brand to present mango products, promoting community engagement, inclusivity, and cultural appreciation for mangoes.

The festival welcomed Tariq Mustafa, renowned for his exclusive "Gula" mango variety. His sessions provided valuable insights and captivated the audience with fascinating stories and experiences.

CHAMPIONING INCLUSIVITY

We hosted Sapno ki Udaan 2024, a dedicated event aimed at raising awareness about autism and celebrating the unique strengths and talents of individuals on the spectrum. The evening brought together performances in music, dance, and drama by students, nonprofit organizations, and esteemed artists, highlighting the significance of creating inclusive platforms. This initiative underscores our commitment to fostering environments that embrace diversity and drive meaningful change in our communities.

THE PRIDE MARCH

We organized a Pride March at Downtown Powai and Candor TechSpace G1 to celebrate Pride Month under the theme "We see you, we hear you, we celebrate you." The event included face painting, a brass band, photo opportunities, makeup artists, and a poster-making competition, with around 400 individuals participating enthusiastically.

LITERATURE, LEARNING, AND FUN

The Book 'A' Fair engaged book lovers and attracted our target audience, upholding a vibrant literary community at Worldmark, Gurugram. Organized with our in-house brand, Crossword, the event featured diverse genres, author meet-and-greet sessions, DIY activities for kids, and a CSR collaboration with Child Rights and You (CRY). Additionally, workshops and influencer collaborations enriched the overall experience and made the event a grand success.

ENGAGING FOR A GREENER TOMORROW

We, at Downtown Powai, have organized a successful World Nature Day event, showcasing our commitment to sustainability through engaging activities and expert demonstrations. Participants learned terrarium making and Japanese Kokedama technique, fostering creativity and green initiatives. As a token of appreciation, they received Kokedama plants. The event, attended by Dr. Rohan Chahande, Managing Director at EIZO Private Limited as the chief guest, reinforced our goal of achieving 30% green cover by 2033, building workspace harmony with nature.
